

CONFOCAL SCANNING USAGE RATES 7/1/2019

Missouri University of Science and Technology Users

Initial training by Dr. Shannon or GRA with users' samples

Weekdays: 9 AM - 5 PM \$42.00/hr

Imaging by users after training (Dr. Shannon or GRA available to help, must assist first 10 hours of use)

Weekdays: 9 AM - 5 PM \$25.00/hr

Imaging by independent users

Nights (after 5 PM) and weekends: \$10.00/hr

New users must undergo training and accumulate at least 10 hours of assisted **daytime Monday-Friday use before granted independent use.**

BILLING:

- All confocal users must provide a MOCODE and provide PI permission before training.
 - Minimum charge will be 30 minutes with extended use charged to the nearest 1/4 hour.
 - Individuals must have received training and accrued 10 hours of assisted image acquisitions **before** being granted access to the microscope room via key card and running unassisted during the day or after regular business hours and weekends.
 - Costs will be charged hourly and billed monthly.
 - If you arrive more than 15 minutes after your planned arrival, your first hour will be charged from the time scheduled, **not** the time of arrival. If you are more than 30 minutes late during high use periods, your time slot may be assigned to another user.
