

Seminar for the SP2021 semester will be held in-person at 4 pm, every Monday, in G3 Schrenk. Simultaneously, it will also be telecast via ZOOM. The zoom link is provided below, the same link will work for the entire semester. Note that there is a password. The zoom link is for those who want to avoid crowds due to Covid 19. If any student enrolled in CHEM 6010 intends to participate only through zoom then he/she should get prior approval from the instructor.

There won't be any sign-up sheet, instead the students will write their name on a piece of paper using their own pen and drop it in a drop box kept on the desk near the podium.

No refreshments will be served for this semester and no food or drink will be allowed during the seminar. All attendees are required to put on face covering following S&T Campus policy I-12. Seating arrangements in G3 follow social distancing norms. While entering and exiting the room please follow social distancing and avoid crisscrossing.

Amitava Choudhury is inviting you to a scheduled Zoom meeting.
